Find Us

Keswick has regular bus services connecting with trains at Carlisle, Penrith and Windermere. It is easy to use public transport to get about while staying at Skiddaw Grove.

We are easy to find by car too. From the M6 motorway, junction 40, head west on the A66 for 18 miles. Take 2nd signs to Keswick (at the Crosthwaite Roundabout) signed B5271 Borrowdale. Turn immediate right into Vicarage Hill and we are first on the left.

If travelling from the South Lakes, head right through the town, over the river and turn right (signed Carlisle A591). Vicarage Hill is the left turn just before the A66 roundabout.
